

July Block: Fun Flowers

final block size

Cut four 3 1/2 inch squares for main flower petals (Enough fabric to make these four squares will be available at the meeting for 75 cents so that the flowers will match better for the winner).

Cut eight 2 inch squares of background (sky fabric). This fabric should be mostly white
Cut four 1 1/2 inch squares for center of flower

Draw diagonal lines on wrong side of the 8 background fabrics and the four center fabrics

Place two 2" squares on two consecutive corners and sew on the diagonal. Press the triangles toward the corners. Then sew a 1 1/2 square on the third corner and press toward the corner. Repeat this process for four blocks that should all be the same placement.

Align your flower with the centers matching up. Sew the flower together.

Sew 1 1/2 inch background (sky fabric) on opposite sides. Repeat for final two sides.
Final block should be 8 1/2 inches.
