

“Buttons and Bows” Quilt Show Challenge - 2027

Piece and quilt a wall hanging or table runner using the following criteria:

- 1) The quilted piece must use a minimum of five buttons and five “bowtie” blocks, The blocks and buttons can be any size/sizes but must be visible. There are many patterns for the bowtie block on the internet and YouTube.
- 2) Completed piece must be approximately 30” square.
- 3) The piece must be quilted and finished with a 4” sleeve (for hanging at the Show). The sleeve may be sewn on or pinned (backing and sleeve are not judged)

Your piece will need to be returned on or before the March 2027 Guild Meeting. Please do not show your piece to others. Bring it to the meeting in a bag or box so others cannot see who it belongs to. The Guild members will vote for their top three favorites based on creativity, workmanship, and overall appearance. Gift cards will be given to the favorites selected by the Guild members. Everyone is welcome to participate. Only one entry per person.

All entries will be displayed at the 2027 Quilt Show and returned to you either at the Show or next meeting. Thanks for participating in this challenge.

Please feel free to contact Mary at 414-915-1589 with any questions. Have fun and challenge yourself to try something different.
