Dear C/O: Catherine Cusick,

On behalf of our clients, staff and board of directors, a robust "Thank You" for your generous donation and continued support of Mukwonago Food Pantry. We are very grateful for your kindness and generosity to our non-profit. Everyone here works incredibly hard to help our clients achieve a better life and reach their goals.

Donation, check #8097 in the amount of \$150.00 on June 19th, 2025.

We serve 500 households throughout the Mukwonago area school district; which includes Eagle, North Prairie, Vernon, and Big Bend. Those families get some relief and hope from our work, and we cannot do this work without donors like you. The Mukwonago Food Pantry is a collaboration of many helping hands. We work with many different service organizations to help clients meet their needs and goals. We are often the first point of contact when someone is struggling financially and we use that conversation as an opportunity to understand the whole picture. During our intake process we ask if they need help creating a resume or job search, we direct them to sign-up for FoodShare, Energy Assistance, BadgerCare, services county wide for help with housing, loans, legal advice, elder care, community health workers, and we give them nutritious food, and fill clothing requests from our social services building.

If you have any questions about our organization or would like more information about our services, please visit our new website at www.mukwonagofoodpantry.org and sign up on the home page under iContact to receive our E-newsletter with information on our food pantry.

Sincerely,

Hannah Hazelberg
