

Mukwonago Crazy Quilters: Block of the Month January 2025

Potato Chip Block: 12-1/2 inches square (unfinished). Do not trim block.

- Select 18 fabrics in colors and patterns of your choice. Cut all 18 fabrics into 2-1/2 x 4-1/2 inch blocks. Use 1/4 inch seams and press seams in any direction. All seams are centered so direction does not matter. Layout blocks as shown or just select blocks as you work.
- Starting at the center, sew two blocks together along long edges.
- With seam running up and down, add a block to the top and bottom of the center piece.
- Sew two blocks together along the short edge (make four sets) and sew one set to opposite sides of center piece and then sew one set to the top and bottom of the center piece.
- Sew three blocks together along the short edge (make two sets) and sew one set to the opposite sides of the center piece.
