

Do in fall colors

On the Oregon Trail

This makes a 12" block!

Please abide by the [Terms and Conditions of use!](#) :o)

**** Preparing the Pieces and Sewing the Block ****

Mark and cut the first Color 3 2-1/2" x 20" strip into eight 2-1/2" squares...

Then mark and cut the Color 2 and Color 3 2-1/2" x 18" strips into four 2-1/2" x 4-1/2" rectangles each...

Now sew the other Color 3 2-1/2" x 20" strip to the Color 1 strip of the same length, along one long edge, right sides together, and using a 1/4" seam. Press seam allowances towards the darker fabric...

Then mark and cut the unit you just made at 2-1/2" intervals...

Place a Color 3 small square atop a Color 2 rectangle, right sides together and all edges aligned. Lightly mark the diagonal on the back of the Color 3 square. Sew on this line. Cut off excess seam allowance, and press the remainder towards the inner rectangle. Repeat with another small Color 3 square on the other end. Make four of these...

Then sew each of these units to a Color 3 rectangle along one long edge, right sides together. Press seam allowances towards the darker fabric. Make four of these...[on to Page 2!](#)

On the Oregon Trail - Page 2

Flip a Color 1/Color 3 combo unit, and sew together as shown at left. Make four of these four patch units...

Next piece the block, by first making rows, and then joining the rows to make a block. Alternate pressing directions by row!

Here's a Table runner, made with four On the Oregon Trail Blocks, with additional flying geese units, red squares and filler triangles added!

Wouldn't this make a great holiday runner...in your choice of seasonally appropriate fabrics? :o) Have fun...and HAPPY QUILTING!!...Marcia :o)
