

Humming Along (Dec 2022)

This month we're using a Free Spirit "murmur" jelly roll purchased at the Dec meeting for \$1.00.

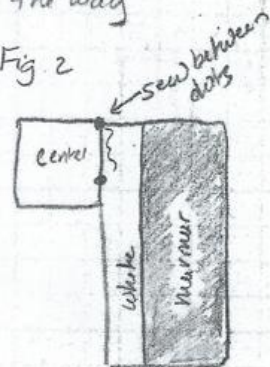

- ① You need to sew a 23" strip of 'murmur' (2 1/2 strip) to a 23" strip of white (1 1/4" wide). Cut this into four units 5 3/4" wide.

You will also need a 2 1/2" square for center block

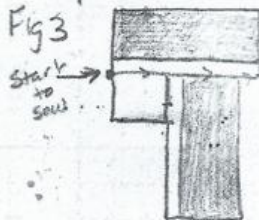

- ② Sew center square to one unit about 3/4 of the way (partial seam). Fig 2

- ③ Add a second unit on top as you work counter clockwise. Sew from top left of center right to edge. It is oversized so don't match @ edge.

- ④ Add 3rd unit to left side. Match bottom of unit to bottom of center. Sew from bottom of center up. Top edge is oversized.
