

Feb. Block of the month - Scrappy Shamrock  
2024

1. make 3 nine patches with  $1\frac{1}{2}$ " green scraps.
2. Add a  $3\frac{1}{2}$ " by 2" strip to one side and a 5" by 2" green strip to the adjacent side. Repeat for each of three nine patches
3. Trace the heart and stem on two sided fusible. Cut the three hearts out (and cut out the centers of the heart before fusing it to the nine patch unit). Cut out the heart-leaves once fused to the fabric.

Sew scant  $\frac{1}{4}$ "

placement of  
fusible over  
9 patch unit

1 inch  
(for scale)

4. Assemble the shamrock on a neutral background cut  $10\frac{1}{2}$ " square. Fuse according to instructions with the product you use

5. Outline the outside edges of all pieces with green thread, stitching neatly  $\frac{1}{8}$ " from the edges
