

*Many thanks to Crazy Quilters.*

*I would like to express my heartfelt appreciation on behalf of myself and my Veteran Patriot Brothers who received Quilts of Valor in a recent presentation at the Mukwonago High School. It is always unexpected but appreciated when we receive thanks for our service to the country we love and are so proud of. We were all young men not knowing what we were in for when we began our service to our country. Every veteran I speak with says they were proud to serve and would gladly do it again. This acknowledgment was an unexpected pleasure that we will cherish for the rest of our lives. The love and professionalism it took to make these fine tokens is remarkable.*

*Heartfelt Thankful*

*Wayne E. Ray*
