

2026 MCQ Quilt Challenge

Piece and quilt a table runner using the following criteria:

- 1) Completed piece (including binding) must be 18" by 40".
Please adhere to size requirements or risk disqualification.
- 2) The piece must be quilted and finished with a 4" sleeve for hanging (may be pinned on or sewn on). The sleeve should be put on the 18" side of the runner.
- 3) The piece must be made of fabric that is black, white, or black and white (solids or patterns, but only black and/or white), combined with one other fabric (any color but just one specific fabric). Quilting thread, trims, etc. should also be black and/or white or the same color that you use for the single fabric choice. The backing is not judged. The binding should also be black, white or your one chosen fabric.

The piece will need to be returned on or before the March 2026 monthly Guild meeting.

Please do not show your piece to others. Bring it to the meeting in a bag or box so others cannot see who it belongs to. The Guild members will vote for their top three favorites based on creativity, workmanship, and overall appearance. Gift cards will be given to the favorites selected by the Guild. Everyone is welcome to participate.

Only one entry per person please.

All entries will be displayed at the 2026 Quilt Show and returned to you either at the Show or next meeting. Thanks for participating in this challenge.

Please feel free to contact Mary P at 414-915-1589 with any questions.

Have fun and challenge yourself to try something different.
