ABOUT THE INSTRUCTOR

Hi! I'm Fatima Tariq your instructor for this workshop!

I have an MBA and a BFA, as well as diplomas in communication design and digital marketing from prestigious institutes like IBA and Arena Multimedia, I'm also a Google-certified PPC specialist.

I'm passionate about empowering young minds with the skills they need to succeed. In this course I've blended my academic expertise with a hands-on approach to online business.

The focus of this course is to cut out the fluff and equip young entrepreneurs with the practical skills they need to set up an online business today!

**Participants will need:
access to a pc or laptop
with wifi as well as a canva
pro subscription**
