LEARN-TO-SKATE

Monday from 5:30 – 6:15 **START DATE OCT 3**

CANSKATE

Monday from 5:30 – 6:15 **START DATE OCT 3**

*CanSkate and Learn to Skate will be on the ice at the same time this year. The layout of the circuits will stay the same as per Skate Canada.

STARSKATE

Monday from 3:45 – 5:15 **START DATE SEPT 26**

With the StarSkate program (which is new this year to our club) the format is different than CanSkate and Learn to Skate. The skaters will have group lessons with the Coach which is included in the fee for the class. They will be practicing their skills on their own for the rest of the lesson. Private lessons are available with the Coach if you are interested in this option. This gives your skater the opportunity to progress as quickly as they are interested in. Please see the attached sheet for further information on pricing for Private Lessons with the Coach.

Misty Blake – Skate Canada Professional Skating Coach

Coaching Philosophy: I believe that sport builds character, and that children who have a sense of belonging in sport are more likely to choose sport for life. A coach is not only a teacher of technical skills, but a role model and teacher of many life skills such as problem solving, dedication, commitment and respect. By sharing my knowledge of skating and love of the ice in a safe, positive learning environment, it is my goal to develop well rounded citizens and athletes. I believe a persons work ethic is guided by passion, so I strive to ensure skaters feel a sense of accomplishment while working on skills, no matter how big or small that accomplishment is. With this I then believe that I have given the skater the 'tools' to be the best they can be.
