Introduction

The following is a comprehensive listing of materials used by Pastor Greg Miller in the development of Bible studies, documentaries, papers, etc., as seen and heard in meetings of the Bible Believers Fellowship of Worthington, Ohio, and by means of CD/DVD or internet MP3 and Videos at bbfohio.com, bbfohioradio.com, youtube.com/bbbfohio, sermonaudio.com/bbbfohio, bitchute.com/bbfohio and various other mirrored internet sources.

Purpose

The purpose of this listing is both personal and ministerial:

It is for personal reasons that we have originally compiled this list, enabling us to find material without relying on mental recall (in a fallen, imperfect, aging and, to some degree, FAILING memory) and providing a list of possessions in case of catastrophic loss. This list has saved countless hours of time in research, helping us to avoid “scavenger hunts” for materials we need for reference and documentation.

It then became evident that this bibliography would be useful in ministry as people have asked many times through the decades for “lists” of materials or simply for a title on a particular subject, etc. By either referring to this list and sharing the information, or by simply providing this list to be browsed, we have “ministered” to a need.

Organization

This bibliography has been broken down into sections. Page numbers are not practical since this list will continue to grow as long as our life continues, and we continue to study and add to this “inventory” of material. The list is provided in sections and in the following order:

- i. Reference Works: Dictionary, Commentary, Encyclopedic, etc.**
- ii. Books (Fiction & Non-Fiction Books, Audiobooks & Publications)**
- iii. Feature Films, Movies, Audio/Video Documentaries & Studies**
- iv. Debates**
- v. Harvard Classics: Dr. Eliot’s Five-Foot Shelf of Classics**
- vi. Harvard Classics: Shelf of Fiction**
- vii. Sermons & Sermon Series**
