In this story you will learn how
to play piano. At Home. First,

you will need a piano and a book and
a seat. Then you play.

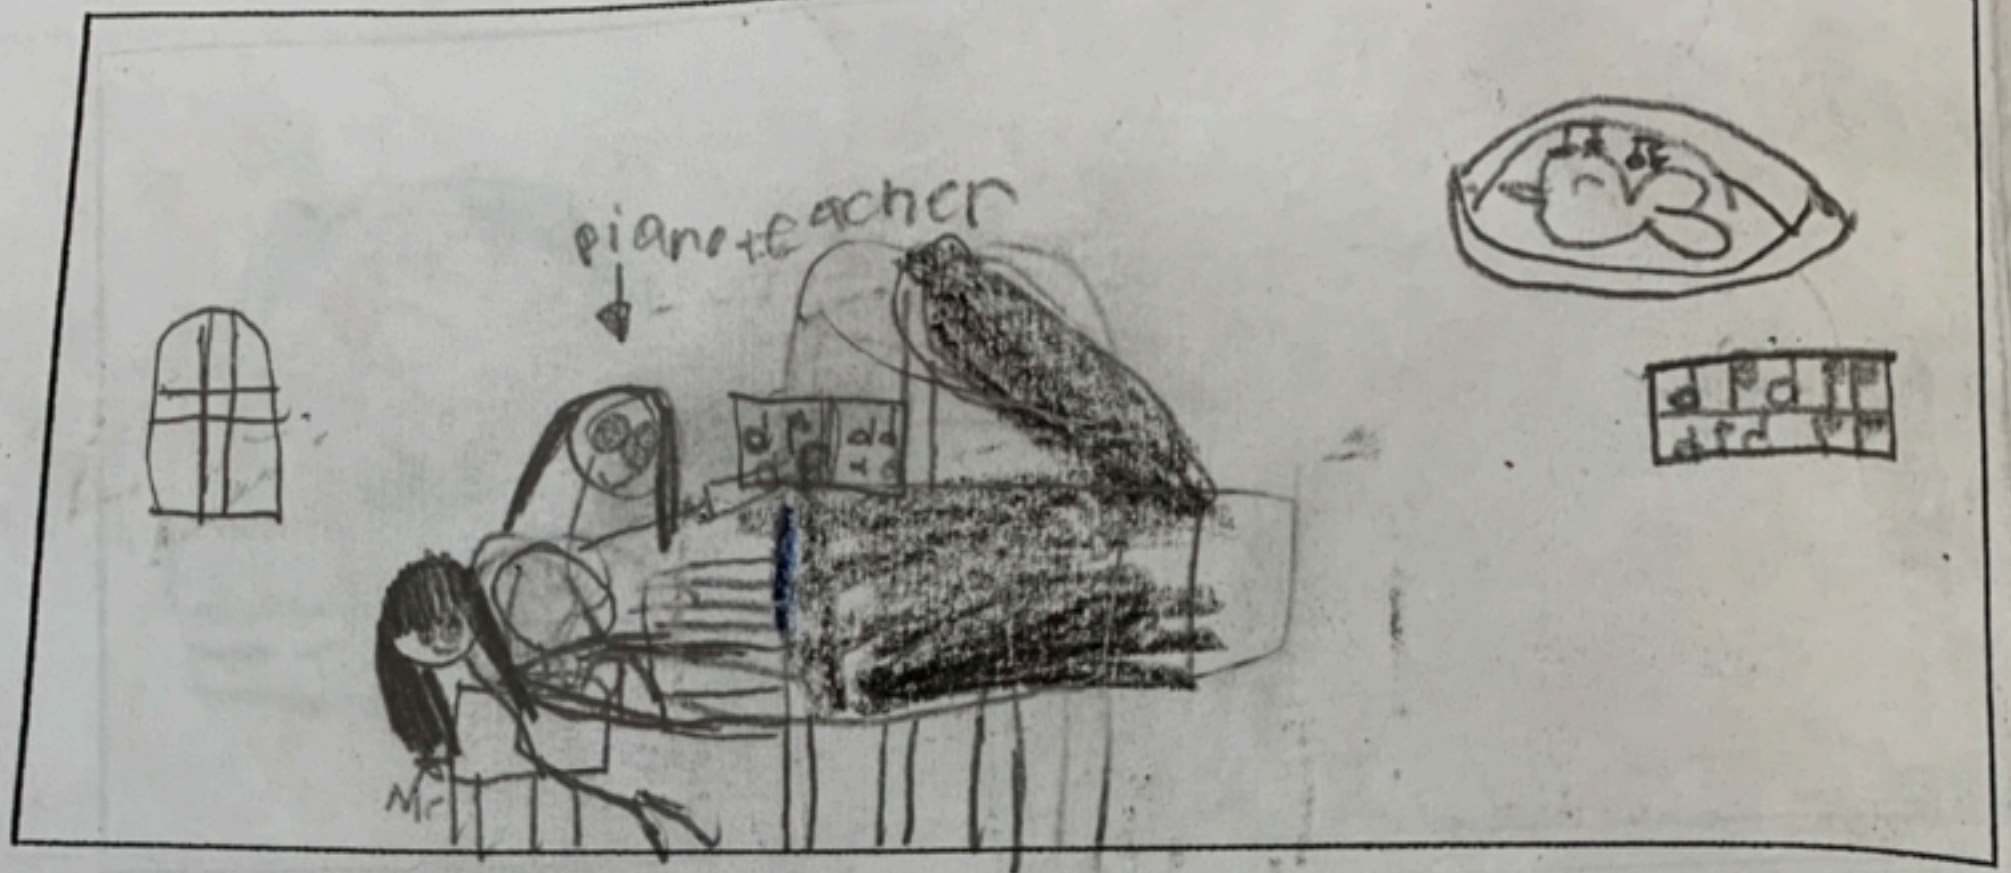

Next you start by putting your
hand on the keys and play. Then you
play it and put in C5 Finger Scales.

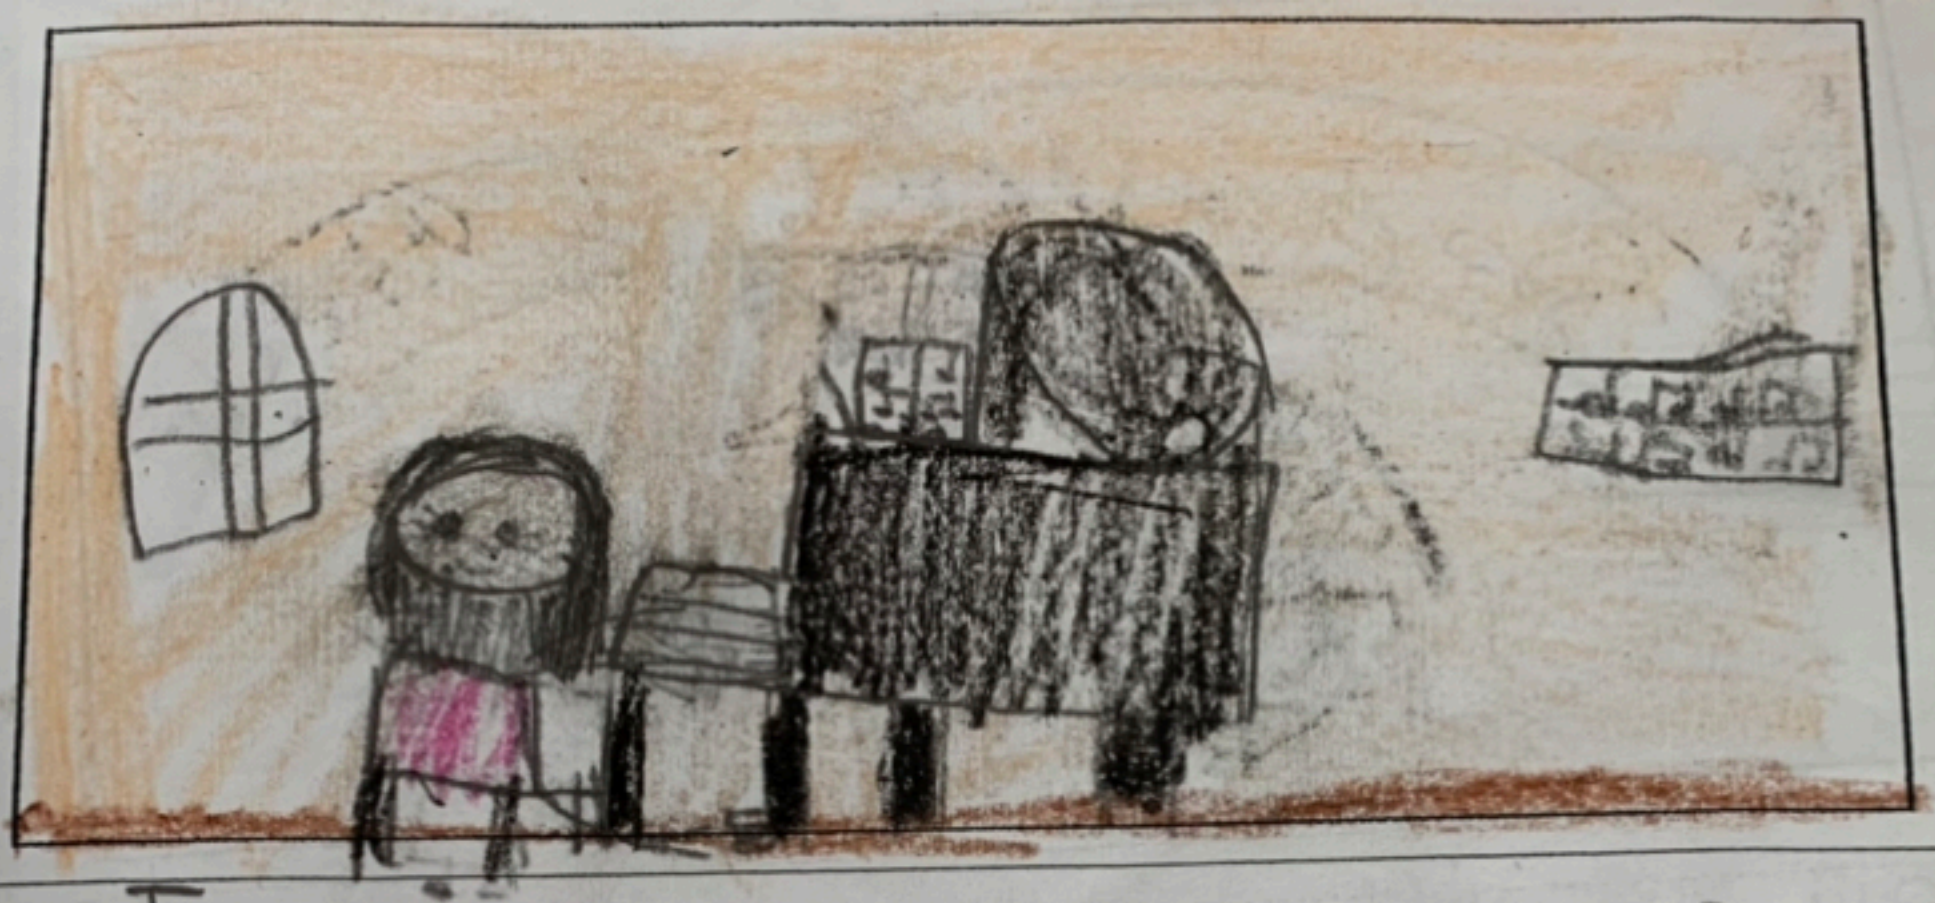

Next, you sing and play it

Then, you play and sing together

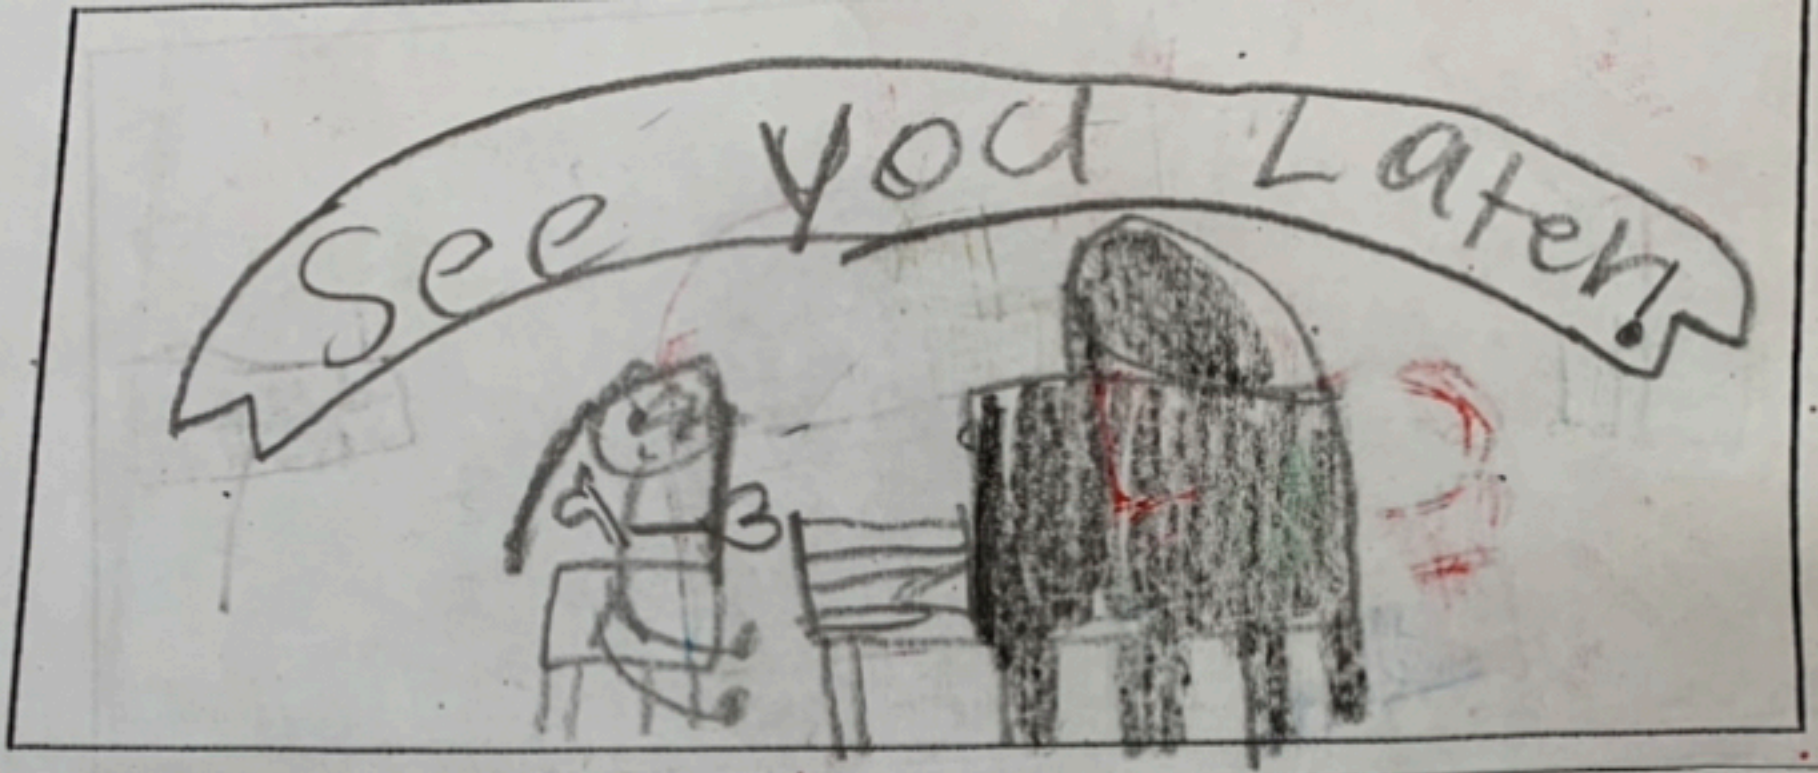

and put it

Next, with your partner they teach you
Piano then put them on a chair and they
Next they will teach you how to play Piano.

Then, your Partner points the Pencils
and you follow the Partner instructions
that the Partner says. Next to you
look and concentrate on the Book.
Then you read all the notes and sing
with playing the piano play and sing to
together.

Now you know how to play piano.

I hope you enjoy playing piano at home.

Author's purpose

I wrote this

Story because

When I didn't know
how to play piano
I practice every day
