

Today on Friday, April 17 2026, we hold Impact N.O.W. official meeting at Spice of Nepal restaurant at 7:42pm

Presence: Kamal Ghamal, Vishwa Mohan, Jennifer Hwang, Emily Kajioka, Rajani Ghamal

Devotion - Kamal Ghamal

(1 Kings 8:27-30) God cannot be contained in a temple. He is in heaven and on earth. God was in the Garden of Eden, then in the tabernacle in the wilderness, then in the Temple in Jerusalem, then in the Flesh dwelling among us, then the Holy Spirit dwelling in us (and we are the temple). Solomon had the wrong idea that God is in the temple as some Christians presently do but He is everywhere all the time
