

Vote for Competitive Shooting!

*Support
these people
for election*

*to
the
NRA
Board
of*

*Directors. Please vote early! When you
vote remember vote only for these 4
people.*

Once again a reminder that the NRA Board of Director's election is fast approaching. Please contact your fellow club members, State Association members and shooting Buddies. Remind them of the need to elect competitive shooters to the board and that the ballot will be on the street in the February issue of the NRA journals which comes about March 15th. Those who receive their magazine electronically will receive a ballot in first class snail mail in March.

We have been losing this qualification on the Board for sometime now and we need to renew that attribute in some of our members. It can be done by voting for the following competitive shooters.

John Sigler - Todd Ellis - Cathy Wright - Charles Rowe

Members of FCSA who are voting members of NRA. Voting in NRA Elections is one of the most important duties competitive shooters can be involved in. As a former member of the NRA Board of Directors, I have observed first hand the effect dedicated people can have on the efforts of those who would take our guns away from us. Without the help and support of NRA, FCSA would be a primary target for the anti-gunners who want our guns. We need to aggressively support these folks.
