

REAL ESTATE SOLUTIONS

Inquiry to Contract

Use **Chatbots** to increase the number of inquiries and prospects on your site. Convert casual website visitors to engaged prospective customers. Use our purpose-built CRM to track opportunities for both leasing and buying/selling properties.

Property Management

Automate property management with recurring **Billing software** for rentals, association dues, utility billing and property tax dues. Bill different charges at different frequencies

Increase Property Sales

Real Estate focused **CRM** for Lead and Opportunity Management. Manage opportunities for home buying inquiries, commercial leasing prospects, landlords wishing to lease properties, commercial office space purchase inquiries.

Sales Contracts

Manage Real Estate sales contracts including associating brokers and agents, tracking customer payments, invoicing customers, accepting payments and calculating commissions

Service Management

Schedule engineering and maintenance staff for repairs, work orders and installations. One-off billing for repairs, work orders, installations and other service orders.

Information to Residents

Mobile optimized property website for major announcements, events and other relevant information.

About Unify Dots
