

A Serious Knock Knock!

Searching for a Surety and Fidelity Claims Expert?

Then hire a former surety and fidelity claims adjuster with a current Property and Casualty Adjuster's License.*

Don't hire a former, unlicensed underwriter for a claims adjuster assignment. That's a square peg in a round hole. No kidding.

Don't hire a former claims adjuster for a surety underwriting assignment. That's round peg in a square hole. No Joke

Maintain credibility in expert reports, expert depositions, and expert testimony at trial. Avoid having your expert stricken.

*Current Texas Property and Casualty Adjuster's License, 294047, Reciprocity-Friendly With Several Other States
