Help The Youth of Nigeria Improve
Their Decision-Making Skills

Better for Nigeria

Youth

Most youth & students do not have access to competitive life and work decision-making skill programs.

Employers

Nigerian employers have trouble finding youth & graduates with well developed decision-making skills.

Teachers & Leaders

Schools & youth programs do not have access to key decision-making skill development programs.

Parents

Many homes lack the time, the resources or the ability to instill good decision-making skills.
