CORE CAPABILITIES

Our business professionals analyze, research, design, and implement solutions in the areas of:

- Consulting
- Managed Services
- Technology

Consulting

Our Consulting Services focus on integrated solutions designed to enhance business performance. By incorporating industry best practices into business processes and management strategies, we can help you stay in compliance with grant and contract guidelines:

- Grant Management – ensure adherence with reporting requirements, contract terms, allowable costs, etc.
- Internal control – Evaluate audit programs, avoid contract deficiencies, comply with policies and procedures.
- Change Management & Facilitation Support

Managed Services

Many companies choose to focus on their core strengths and outsource certain business processes. If you choose to go that route, HRCS can help you in the following areas:

- Business Process Outsourcing
- Training and Development
- Application Outsourcing
- Resource Management
- Help Desk Services
- Infrastructure Outsourcing

Technology

Our Technology Services focus on developing robust, secure, and stable technology solutions for your business. By incorporating common sense solutions into planning and deliverables, we can ensure at the start of the project that we will deliver the product to completion. Our services include:

- IT and Networking Solutions
- Application and Web – Design, Development and Management
- Commercial Off the Shelf (COTS) Integration
- Data Cleansing & Conversion
