

Message from the Careers' Co-ordinator.....

Issue 3, 27 February 2020

Journalism opportunity

Applications for the 2020 YMCA Victoria Youth Press Gallery are now open! If you're a young aspiring journalist, aged 16-25, this is your opportunity to build a portfolio, get published, develop your journalism skills and work closely with a team of people who share your passions.

Participants will serve as the Press Gallery for YMCA Victoria Youth Parliament by writing articles about the program and the issues being debated. Applications close Sunday, 29 March. Email any questions and your completed application pack to pressgallery@ymca.org.au Download the application pack here: <https://bit.ly/37SwSS5>

Passionate about photography?

Photography Studies College is a private college located at Melbourne. The institute offers vocational and university level courses in photography and photoimaging. To learn about careers in photography and read about the awards their graduates have recently received, go to <http://bit.ly/2ETkpUX>

Interested in business?

You can take a Virtual tour of the Australia National University College of Business and Economics building at this link - <http://bit.ly/2lZZu86>

Careers in Insurance

Have you considered a career in insurance? As one of the biggest, most diverse industries in the world, insurance has more roles than you'd imagine – including ones that are perfect for you. Love numbers? You're needed. Love people? Insurance has roles for you. Analytical? A big thinker? A problem solver?

Whatever you are, insurance has a job with your name on it. To learn about where a career in insurance can take you, check out the website 'Careers in Insurance' at this link - <http://bit.ly/2FaCbSZ>

Artificial Intelligence (AI) and apprenticeships

AI will transform the way we work across all industries in the future. For example, more than 5 million jobs will disappear from manufacturing and customer service by 2020. Can apprenticeships help young people make a smooth transition to new jobs created by AI?

According to the World Economic Forum it's believed they can. There are new jobs and skills to be learned, with employers driving the change. See examples at this link - <http://bit.ly/2HKuHo5>

Forensic Science Careers

Victorian Institute of Forensic Medicine has put together information about careers in forensic science. You can access the information at this link - <https://bit.ly/2Eb7R7W>

Courses: the following are several universities that offer courses in forensic science.

Victoria

Deakin University, <https://bit.ly/2VIWaFX>

NSW

University of Western Sydney, <https://bit.ly/39Rpp7k>

University of Technology Sydney, <https://bit.ly/32i7WIS>

University of New England, <https://bit.ly/2wFLPu5>

Canberra

Canberra Institute of Technology, <https://bit.ly/38WKJlu>

University of Canberra, <https://bit.ly/3c17YmU>

Year 12 – University Pathway Planner

If you're planning to apply for university courses this year, there are many dates you will need to be aware of. These dates will vary between states. Having a diary or a planning app on your phone or device will help you to feel organised and ensure you don't miss any key dates.

CAREER EVENTS

It's never too early to attend career events. The following are examples of events running in February and March.

Charles Sturt University – new Doctor of Medicine: The first intake for the Doctor of Medicine will be in 2021. Find out about entry requirements and the admissions process at an information session.

Dates in March: Bathurst (9), Orange (10), Wagga Wagga (16), Sydney (24).

Info and RSVP: <https://bit.ly/2OKtiTz>

Victorian Careers Show: This event is for Victorian students who would like to explore their career and study options. You will also be able to attend seminars and workshops

When: 17 – 18 March.

Where: Melbourne Showgrounds

Info and RSVP: <https://bit.ly/2uU7RbZ>

VCE and Careers Expo: This annual event enables senior school students and their families to participate in a diverse range of seminars related to VCE subjects, gap year opportunities, vocational and higher education courses, career pathways and study skills. HSC students are also encouraged to attend.

When: 30 April – 3 May.

Where: Caulfield Racecourse

Info and RSVP: <https://bit.ly/2SUaX7G>

TAA Hotel Careers Expo: Tourism Accommodation Australia is running a careers expo for prospective students where they can meet Melbourne's major hotel brands and explore the range of career opportunities within the industry.

When: 25 March, 2020. 10am – 1pm.

Where: The Hotel Windsor, 111 Spring Street Melbourne.

Info and RSVP: <http://taavic.com.au/>

ACN Nursing and Health Expo: The Australian College of Nursing (ACN) is hosting a Nursing and Health Expo in April. You will be able to speak to employers in the industry, nursing specialists and TAFEs and universities.

When: Saturday 4 April, 8.30am – 2.30pm.

Where: The Melbourne Convention and Exhibition Centre

Info and RSVP: <https://bit.ly/2HtwEpR>

UNIVERSITY APPLICATIONS

The following two universities have early application programs for the 2021 intake. Offers can be deferred.

University of New England

Applications are now open for the direct early entry program. It's free to apply and applications will close Friday 25 September. You will need a recommendation from your school to be eligible. Offers will be made in November before your final ATAR and results are released. For information to start your application, visit <https://bit.ly/39H4iVo>

Australia National University - applications open soon for courses, accommodation and scholarships

From March, Year 12 students who are planning to study at ANU in 2021 (or defer their studies until 2022) will be able to apply for courses, accommodation and scholarship in the one online application direct to the university. For information on dates and the new admissions process, go to <https://bit.ly/2WVbyHn>

UNIVERSITY SCHOLARSHIPS

The University of Melbourne – George Hansen Scholarship: If you are planning to study at The University of Melbourne in 2021, you should consider applying for the prestigious George Hansen Scholarship. Stage 1 applications are now open and close on the 9th of March. You must be able to prove financial disadvantage to be eligible, <https://bit.ly/2IB4IDC>

Australia National University (ANU) – Tuckwell Scholarship: If you are planning to study at ANU in 2021, you should consider applying for the prestigious Tuckwell Scholarship. Applications will open on 4 March and will close 25 March, <https://bit.ly/2Sja5r7>

EARLY ENTRY

Several early entry programs open in term 2. The following are examples:

Australian Catholic University, Community Achievers Program: Recognises community service and leadership. Successful applicants will be guaranteed entry into their desired course with a lowered ATAR.

Date: Applications will open in May or June (TBC)

Info and RSVP: <https://bit.ly/2PgCRtK>

La Trobe University – Aspire Program: Recognises community service and leadership. Successful applicants will be guaranteed entry into their desired course with a lowered ATAR.

Date: Applications will open in June (TBC)

Info: <https://bit.ly/2uZAh4w>

Charles Sturt University – Advantage Program: Recognises soft skills such as empathy and resilience and a commitment to creating a world worth living in (i.e., motivation to study chosen degree). Successful applicants will be guaranteed entry into their desired course with a lowered ATAR.

Date: Applications will open in June (TBC)

Info: <https://bit.ly/32jftRz>

UNIVERSITY APPLICATIONS

In August/September you will be able to start your university applications. For most universities, you apply for courses via the state-based tertiary admission centre:

Victoria: Victoria Tertiary Admissions Centre, www.vtac.edu.au

NSW/ACT: Universities Admissions Centre, www.uac.edu.au

Tasmania: University of Tasmania, www.utas.edu.au

SA/NT: South Australia Tertiary Admissions Centre, www.satac.edu.au

WA: Tertiary Institutions Service Centre, www.tisc.edu.au

QLD: Queensland Tertiary Admissions Centre, www.qtac.edu.au

You will create a user account, and add course preferences into the system.

It's important to note that for most courses, you won't need to finalise your preferences until after your Year 12 results are released.

Some courses such as medicine and performing arts will have earlier closing dates.

'Timely applications' usually close at the end of September and you will need to pay an application fee.

UNIVERSITY SCHOLARSHIPS

You will be able to apply for university scholarships through three ways:

Tertiary Admission Centre: You can apply for Access and Equity scholarships via an online form (for some states).

University: You can apply for scholarships direct to the universities

Other: you can also apply for scholarships that aren't associated with any particular university.

The application period for scholarships can run between August – March. Dates will vary for each method.

ACCOMMODATION

You can apply for university accommodation generally between July – January. There are several types of accommodation including on-campus, off-campus, private student housing, home stay, etc.

Dates will vary based on the type of accommodation and the universities you apply to for on-campus accommodation.

Some universities have a first-year accommodation guarantee, others have a 'first in, first served' policy, some hold places for rural applicants, some charge you for applying. Every university is different.

SPECIAL CONSIDERATION

When you apply for courses via the Tertiary Admission Centre, you will also be able to apply for special consideration.

Universities will consider any disadvantages you have experienced and take these into consideration during the selection process. The following are examples of two schemes:

Victoria, Special Entry Access Scheme, <https://bit.ly/2v9dWkV>

NSW/ACT: Educational Access Schemes, <https://bit.ly/38OtxoB>

Examples of disadvantage include: long term illness/disability, financial, rural, and difficult circumstances.

OPEN DAYS

Will run on weekends during August for Victoria and during August/September for NSW and Canberra.

It's crucial you attend open days before making a final decision on your course preferences. You will be able to attend seminars and workshops, campus and accommodation tours, and speak directly to course and faculty advisers.

Focus on the Bachelor of Arts

Considering studying a Bachelor of Arts in the future?

The Bachelor of Arts is an excellent choice of degree for students and one of the most popular choices in the country.

The degree offers flexibility for students and majors/minors can cover areas such as science, economics, visual arts, IT, languages, humanities, media, communications, and design etc.

In fact, sit 10 Bachelor of Arts students at a table and each will most likely be studying very different courses.

The following are three excellent Bachelor of Arts programs to consider.

Bachelor of Arts (Professional), Swinburne University

This course offers 18 majors, 28 co-majors from other faculties and 42 minors. Students are guaranteed one-year of paid industry experience as part of the degree, and it will take 4-years full time to complete the course. Applicants will need to achieve an ATAR of approximately 80 to be considered for admission. This could rise for the 2021 intake, <http://bit.ly/1UTb3pZ>

Bachelor of Arts, Monash University

The Monash Global Immersion Guarantee (GIG) provides a guaranteed two-week overseas study experience for all first year Bachelor of Arts and Bachelor of Global Studies students, with the cost of airfares, accommodation and local travel covered as part of the program. This is the first initiative of its kind in Australia.

Students will study the impact of the global movement of people and goods on environmental sustainability. For information, visit <https://bit.ly/37ThuFk>

Bachelor of Arts, La Trobe University

This course offers 50 majors and minors – the largest in Victoria. Bachelor of Arts students are able to apply for a 2-week funded international experience to China or Vietnam.

They will spend a week working on sustainability projects, helping to find solutions to real-world problems. La Trobe will cover the cost of airfares, accommodation, food, transport, visa fees and insurance. For information, visit <https://bit.ly/32x6D1T>

Federation University

Federation graduates rated highly by employers

Federation University Australia graduates once again have demonstrated their strong employability by performing above the national average in three important fields as part of the latest Employer Satisfaction Survey – employability, foundation skills, and adaptive skills, <https://bit.ly/2HPB8ax>

Australian Federal Police signs MOU with Federation University

The Australian Federal Police (AFP) will be working with the Internet Commerce Security Lab (ICSL) to establish a cybercrime internship program for students studying in School of Science, Engineering and IT. The Internship program will provide opportunities for students to work with Australian Federal Police officers to learn about Cyber Crime investigation in a real-world environment, <https://bit.ly/3c1Entg>
