ATHEISM: A RELIGION OFFERING NO EVIDENCE, NO RATIONALITY, AND NO HOPE...WITH SERIOUS ETERNAL CONSEQUENCES

“Though these bodies may indeed continue in their orbits by the mere laws of gravity, yet they could by no means have at first derived the regular position of the orbits themselves from those laws. Thus, this most beautiful system of the sun, planets, and the comets could only proceed from the council and dominion of an intelligent and powerful Being... Gravity explains the motion of the planets, but it cannot explain who set the planets in motion. God governs all things and knows all that is or can be done.”

- Isaac Newton

Mathematician, Physicist, Astronomer, Theologian, and Author

“Now we see how the astronomical evidence leads to a biblical view of the origin of the world....the essential element in the astronomical and biblical accounts of Genesis are the same.”

- Robert Jastrow PhD
