

Childhood sexual abuse has happened to many men.

You are not alone. Start your healing journey now.

Hope • Healing • Happiness

Hope. Healing. Happiness.

If you are one of the **1 in 6** adult men who were sexually abused before the age of 18, with **cc4ms**, you can access confidential and effective support and treatment. At cc4ms, we provide assistance, awareness and education for adult survivors, families, communities, and workplaces. Please contact 403.519.9727 or clinicalcare@cc4ms.ca for further information. Financial assistance available. Please join us!
