

## **NYS Department of Environmental Conservation**

### *NEW – Next Step Courses!*

Have you completed a hunter education, bowhunter education, or trapper education course and want more instruction and hands-on experience in shooting and trapping? These free 4-hour Next Step Courses are taught by certified DEC instructors and emphasize hands-on field activities.

Starting in 2023, DEC will offer Next Step Courses in:

- **Rifle**
- **Shotgun**
- **Archery**
- **Crossbow**
- **Land Trapping**
- **Water Trapping**
- **Fur Handling**

Please NOTE: You must already be certified in the discipline of the Next Step Course you wish to attend. Certificate number is required for registration.
