

## Consent & Policy Acknowledgement

This Consent and Policy Acknowledgement applies to participation in services provided by a private child visitation agency.

### 1. Voluntary Participation

Participation in this private agency service is voluntary and does not replace court orders or legal advice.

### 2. Nature of Services

The agency provides low-risk private visitation services only and does not provide therapy, legal advice, or custody determinations.

### 3. Safety & Eligibility

Services may be modified, paused, or discontinued if safety concerns arise or information changes.

### 4. Accuracy of Information

I confirm that all information provided to the agency is accurate and complete.

### 5. Confidentiality

Information is handled confidentially except where disclosure is required by law or child safety concerns.

### 6. Limitation of Responsibility

The agency is not responsible for actions outside the scope of its services, except as required by law.

### 7. Agreement

I have read, understood, and agree to comply with all agency policies and visitation guidelines.
