Henna Art

Being one of India's leading mehendi manufacturers, Mukesh Kumar & Company bespoke aim is to position henna as an element of visual expression much beyond use in just weddings and turn it into an art form for your regular, daily use. We believe that the use of mehendi should be an act of affection, as it deepens human bonds, and shines a light on your radiant personality, making it glow beautifully in an unparalleled way. We have an unwavering resolve to deliver packets or cones of international quality henna in India at the most affordable rates to everyone.

Our History

Welcome to Mk & Company, one of the leading mehendi manufacturers in India. For over 20 years, we have blended nature and tradition to offer you the finest mehendi/henna products. Based at Sojat, Pali – Rajasthan, we take pride in being the top henna brand. These endeavours make us the best mehendi manufacturers in Rajasthan. We celebrate the art of henna, providing products that beautify and nourish your skin naturally

HENNA LEAFS
