You can find our website at <https://garrisoncreekcabin.com>. We will be posting general information about the cabin site, board meeting minutes, shoreline information, water levels and any other pertinent information that the board feels you should be aware of. You can also download the yearly dues notice from our website and send it in.

Summer Meeting Schedule:

Annual Meeting: June 20th. This meeting will be held at Keith and Lori Knutson's cabin. Coffee and rolls starting at 10:30 and the meeting will be 11 am – 12 noon.

Board Meetings: We have 4 board meetings during the summer. This year's board meetings are May 21st, June 18th, July 16th, August 20th. These board meetings will run from 7-9 pm and be held at Marty and LaDona Malachowski's home.

Items of importance: **All dock licenses must be attached to your dock (not the post that marks your dock location and not on your gang planks).** Also, other than maintenance on your dock, **driving on the Corps of Engineers property is not allowed.** In addition, unless approved by the Dock Committee and ratified by the board of directors, **moving your dock from the licensed location is not allowed.** Moving it in and out of the water at the licensed location is permitted. In some cases.

We are expecting this to be a LOW water year around the lake. In some cases, with low water, some docks may be inaccessible. Our boat ramp is good down to an 1805 elevation. Currently the lake level is at 1826.

Board Members:

Keith Knutson - President

Steve Hartman – Vice President
