REALIZED MFG.

MANUFACTURING REIMAGINED

Dear Prospective Customer:

I would like to introduce you to **Realized Mfg. LLC.**, a **technology** driven solutions provider for all of your contract manufacturing needs. While others may have **technology**, we have **cutting-edge technology** and refuse to **settle** for traditional equipment or processing. **Single-operation** machining and **additive manufacturing** is the approach taken towards every component we manufacture.

As our name implies, our **focus** and **expertise** is making your **concepts a Reality!** From **prototyping** to **production**, we are ready for any **manufacturing challenge**. We deliver prototypes from CAD to reality within days.

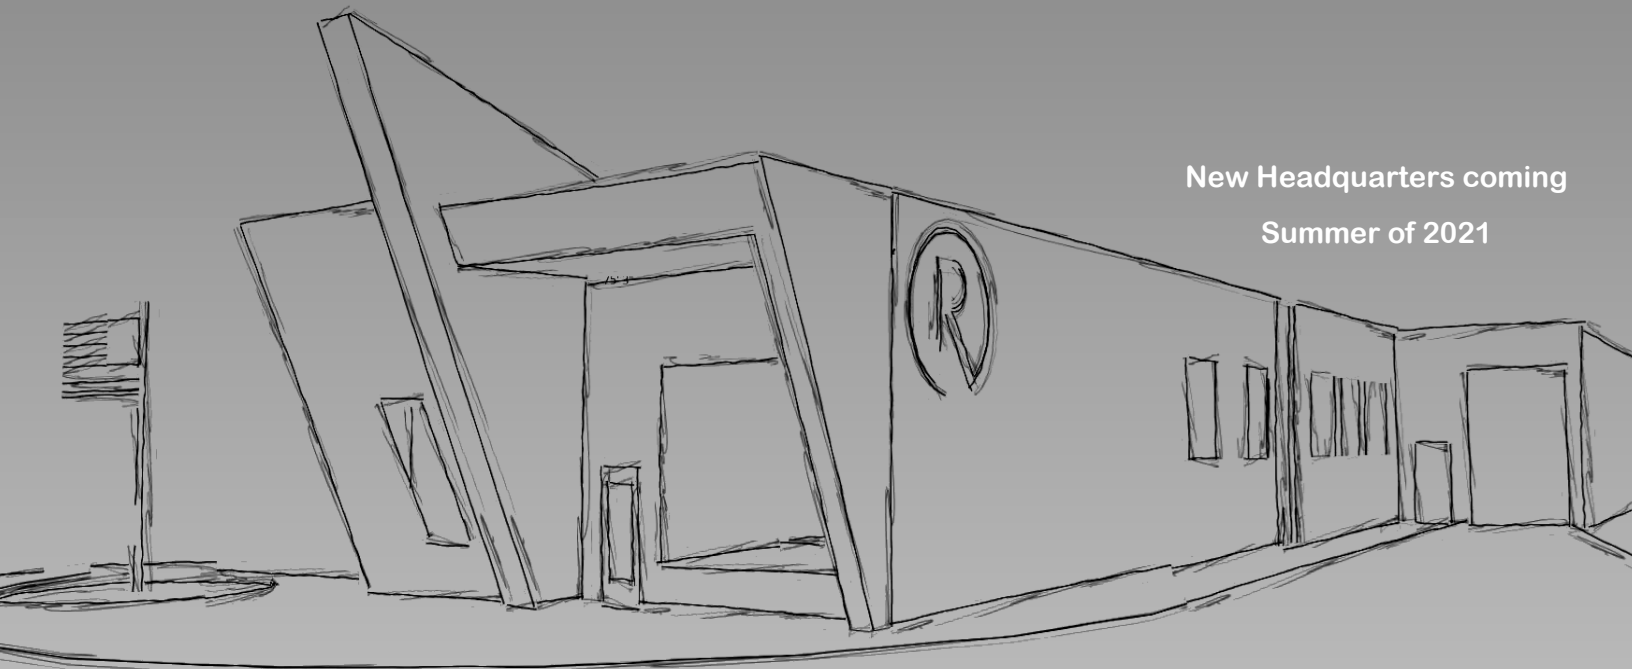

Regardless of material or **complexity**, no part is too **difficult**. Allow us the **opportunity** to provide a quotation and prove our **unique capabilities**. We look forward to working with you in the near future.

Regards,

Michael Rappach

Founder & CEO

New Headquarters coming

Summer of 2021

Manufacturing Capabilities:

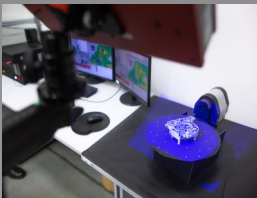

Using today's cutting-edge technology, Realized Mfg is committed to providing on-time deliverability of your most challenging requirements. We have unrivaled expertise that will get you from prototyping to production—all backed by stringent quality assurance measures with 100% component inspection

- 3D Printing DMLS & MJF (3D Systems)
- 5-Axis Milling (Hwacheon 5-axis) 23 x 40 x 14
- 5-Axis Mill-Turn (Willemin 508MT) 2.5 dia thru x 18
- Blue-Light Photogrammetry (GOM Capture 3D ATOS-Q)

Reverse engineering & 100% feature inspection to 5u

Quality Policy:

To become your **leading process-driven partner** dedicated to providing **on-demand manufacturing**. Addressing the **needs** of our **customers** and effectively embracing **additive** and **advanced manufacturing technologies** that deliver **quality** products and **value** in our **innovative** manufacturing systems.

Accreditations:

- Cage : 8F9U9
- JCP : 0083873
- ISO 13485:2016
- FDA 21 CFR
- ITAR Compliant

Core Values:

- Continual Self-Improvement
- Dedication to Others
- Learning Crushes Knowing
- Product Quality and Deliverability
