

1 little word, many languages, massive impact.
The cause of 800 deaths per day.
1 death every 2 minutes.
Countless injury & trauma.
Good outcomes also exist, just not enough.

We can do better as a global society.
IRM is collecting birth stories for a
documentary book.
Families & Maternity care providers:
Please share the good and the bad.
Be part of our global project that will bring
greater awareness & equity to
safe, gentle birth.

Contact:
International Registry of Midwives for
details and to share your story!
