

Experienced Midwife Pathway Checklist

We have provided this checklist for your convenience, this checklist is intended for personal use only. Not intended for IRM office use.

- Completed Experienced Midwife Packet
- Current NRP, HBB or equivalent certification
- Current BLS CPR Certification
- NASG Certification
- Pharmacology for Midwives Certification
- IV therapy for Midwives Certification
- Official transcripts and certificate from a formal Midwifery didactic program.
- 8 letters of recommendation;
 - 5 from prior clients
 - 3 from Midwives or Physicians you have worked with.
- Pay full exam fee

**Please submit the required documents above to
info@internationalmidwife.org.**

Our processing time is 2-3 weeks, if we need more documents or information we will reach out to you, otherwise we will email to arrange a testing date and time.

Congratulations on your journey to becoming a CIM!
