Also during the month of February, WHS students will finish registering for classes they want to take during the 2021-22 school year. The registration window will close on Thursday, February 11th. You can find a plethora of helpful resources on the WHS Counseling website www.whscounseling.com to guide you and your student in the registration process. Students are also encouraged to reach out to their counselor with any questions.

February is Black History Month. Our BSUE group has prepared a variety of activities over the next month that are aimed at recognizing, honoring, and celebrating the contributions and achievements made throughout the course of history. We are proud of the work this group is doing to bring awareness and build a brighter future for all who follow in their steps.

Smarter Balanced testing is March 29-31. Math and English for sure and science tests may not happen.
