 - T-shirt Design Contest - (New Idea- partnering with the Homecoming in the fall. At homecoming each student wears the t-shirt for homecoming that week -these t-shirts have always been purchased by students. Counselors would like ALL kids to have the ability to wear the tshirt on the given homecoming day. What about splitting cost between Student Council and Booster Club with the student council having a booth for donations.
 - Need to think about the fact that we are buying t-shirts every year again and would like quality t-shirts that represent WHS and aren't goofy.
 - Different thoughts are having same t-shirt with different colored shirts, can always continue with a contest but only a few people enter their artwork.
 - Student Council planning on getting together with teachers etc
 - Booster Club could try it out for a year
