## PROFESSIONAL EXPERIENCE

### Visual Edge Designs

August 2022-Present

#### Production Design Drafter

- Created, curated, and presented numerous pre-production drafting packages and supplementary materials for concerts with capacities exceeding 125,000 attendees. Participated in the collaborative design and conceptualization process. Developed 3D models and lifelike renderings of various scenic elements for renowned artists like Lil Baby, Houston Rockets, and Tauren Wells, as well as prominent productions including the Revolve Festival at Coachella, among others. Demonstrated adeptness in utilizing Vectorworks and consistently delivering expedited results, significantly bolstering company achievements and advancement.
