

Safeguarding of Children & Vulnerable Adults - Policy

Purpose

Safeguarding and promoting the welfare of children and adults at risk from abuse or neglect.

This policy defines how Stock & Bradley Village Hall operates to safeguard children, young people and adults at risk of abuse or neglect.

We have a duty of care and are committed to the protection and safety of everyone who enters our premises including children, young people and adults at risk involved as visitors and/or as participants in all activities and events. We also have a duty to safeguard and support our trustees, volunteers, and staff.

Definitions

Children and young people are defined as those persons aged under 18 years old. This policy will apply to all staff, contractors and volunteers and will be used to support their work.

Safeguarding and promoting the welfare of children is defined as:

protecting children from maltreatment
preventing impairment of children's health and development
ensuring that children grow up in circumstances consistent with the provision of safe and effective care
taking action to enable all children to have the best outcomes.

Adult at risk of abuse or neglect

For the purposes of this policy, adult at risk refers to someone over 18 years old who, according to section 42 of the Care Act 2014:

has care and support needs
is experiencing, or is at risk of, abuse or neglect
as a result of their care and support needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

If someone has care and support needs but is not currently receiving care or support from a health or care service, they may still be an adult at risk.

Persons affected

All trustees, volunteers, and staff

All those attending any activity or service that is being delivered from the village hall charity property

All visitors and contractors

Policy principles

There can be no excuses for not taking all reasonable action to protect adults at risk of abuse, exploitation, radicalisation, and mistreatment. All citizens of the United Kingdom have their rights enshrined within the Human Rights Act 1998. People who are eligible to receive health and community care services may be additionally vulnerable to the violation of these rights by reason of disability, impairment, age, or illness.

Stock & Bradley Village Hall charity has a zero-tolerance approach to abuse.

Stock & Bradley Village Hall charity recognises that under the Care Act 2014, it has a duty for the care and protection of adults who are at risk of abuse. It also recognises its responsibilities for the safety and care of children under the Children Act 1989 and 2004.

Safeguarding of Children & Vulnerable Adults - Policy

Stock & Bradley Village Hall is committed to promoting wellbeing, harm prevention and to responding effectively if concerns are raised.

Stock & Bradley Village Hall charity is aware of the work of their local safeguarding Board/Partnership and other support organisations on the development and implementation of procedures for the protection of adults vulnerable from abuse. The policy is about stopping abuse where it is happening and preventing abuse where there is a risk that it may occur.

Stock & Bradley Village Hall Committee is committed to the following principles:

The welfare of the child, young person or adult at risk is paramount
All children, young people and adults at risk have the right to protection from abuse
Safeguarding is everyone's responsibility: for services to be effective each professional and organisation should play their full part; and
All suspicions and allegations of abuse must be properly reported to the relevant internal and external authorities and dealt with swiftly and appropriately.
Stock & Bradley Village Hall is unable to provide personal care for those attending the Hall and it requires such that care is provided by appropriately trained and vetted carers who will attend events with the potentially vulnerable person concerned.
All external hirers and all organisers of clubs using the Village Hall are expected to have their own compliant policies and procedures to protect vulnerable persons from safeguarding issues.
