HAMLET OF NEUANLAGE

Board Meeting

June 29, 2026

Location: Community Hall, Pembroke Park

PRESENT: Martha Krahn, Chairperson; Jackson MacMillan, member at large; Val Reddekopp, secretary.

Absent: Gabriel Benoit, Division 7 Council Representative.

Residents: Three residents and two members from the RM Council.

Resident 15 Minutes

- Resident read personal notes from the last RM meeting, felt that the whole meeting was unnecessarily stressful. Division 7 representative needs to be more focused on Hamlet issues, not personal issues. Certain personal remarks and name calling are not professional and are not representative of our community. Issues should be dealt with at a personal level rather than at the Council level. The RM is supportive to the Hamlet and we do not want that support severed.

NEW BUSINESS:

- What would be the cost of a temporary fence to be erected when we have the bins here in fall as people are using the bins for all their construction debris from outside the Hamlet as well as in the Hamlet, and a temporary fence would be a solution. Also restricting the loads, a household could bring, as 22-25 bins a year is a lot for our small community of 500. Also signs on what is "not allowed" could be made.
