

Hamlet of Neuanlage Garbage and Recyclables Notice

ANNOUNCEMENT TO CUSTOMERS: CHANGE OF SERVICE

Attn: Residents

Effective Sept to May pickup will be changed to Saturdays at 9am. **The last Wednesday pickup will be Sept 14th – The First Saturday pickup will be Sept 17th.**

Please note this is what is being enforced by the RM at the dump. All loads are being inspected at the gate. Please see changes below.

Just a few guidelines on what can be Recycled and what can be garbage.

- **Recyclables must be in a clear plastic bag supplied by the Hamlet (Available at the rink).**
- What can be recycled – Pop bottles, cans, beverage containers, newspapers, plastics, paper/cardboard, tin cans, and glass bottles. **No aerosol cans, electronics, compost, or glass jars.**
- Remove caps from milk jugs and beverage containers, **give them a quick rinse and flatten.**
- Have a look at the bottom of your plastic containers. If there is a number between 1 and 7 it is recyclable.
- **Not Accepted:** Waxed cardboard, cardboard polycoat containers, food-contaminated pizza or oil soiled boxes
- **Not Accepted:** Polycoat cups and containers (coffee cups, soup), laminated paper, soiled or food-contaminated paper plates, etc.
- **Not Accepted:** Black/near black coloured plastics, Styrofoam, plastic stretch film/wrap, plastics, small plastics (4x6cm) bottle caps, agricultural chemical containers, etc.
- **All cardboard** must be flattened and then either bagged in clear plastic, stretch wrapped in a bundle, or taped in a bundle. **Any cardboard that is not flattened or bundled will not be accepted.**
- **Maximum size of cardboard is 24" x 36" (because of recycle bin size) If larger please cut to this size.**
- All garbage must be in **tied bags** of reasonable size and weight. (If bags are overfilled they tear when being picked up, it will be the responsibility of the home owner to clean this up.
- **Max weight of bags is 25lbs. Overweight bags will not be picked up.**
- **Maximum number of bags per house hold is 5 (Recyclables and garbage combined)**
- Garbage will not be picked up if thrown loosely in a bin.
- No Construction material, scrap metal, tires, concrete, sofas, mattress, **grass clippings, tree trimmings, garden refuse, or straw**, will be picked up.
- **Compost is not recyclable or Garbage;** please consider using a compost bin, to reduce waste.
- There are lots of items that can be recycled, however, cannot be processed by us. Divert these items to other recycling facilities! The Saskatchewan Waste Reduction Council (SWRC) site has a search engine so you can look up information on divertible waste materials. Please visit their website at www.saskwastereduction.ca or www.swrc.ca.

If you have any concerns or questions please email me at mgcontract@yahoo.ca
