

NEUANLAGE Christmas Craft and Skate

December 14th is a special day indeed... for those of you counting the calendar it is the 12th calendar day before Christmas (including Christmas). We don't have a partridge in a pear tree, but perhaps something more exciting to announce. Your Neuanlage Parks and Rec Coalition (PARC) and Hamlet Board are collaborating for a special Christmas event for the families of our wonderful community. The doors of the community hall will be open from 1-3pm for crafts, treat bags, and warm drinks (coffee/tea/hot chocolate). We will christen our new ice surface with a public skate for the ages with holiday music filling the air. On PolarBook and InstaGraham Santa has confirmed he will take to the ice in Neuanlage around 2:30 to join in the Holiday Event for a "Skate with Santa." We invite Hockey enthusiasts to stick around after St. Nick for a little puck and stick as we are inviting a community game of shinny from 3-4pm. We appreciate the warm words people have shared about this community, and truly the best way to show that pride is to support our community events. We look forward to welcoming you all to this wonderful Christmas event. Bring your holiday cheer and leave with the fulfillment that only comes from spending time with neighbors and loved ones during the Christmas Season. From all of us with Neuanlage PARC and the Hamlet Board, we wish you a Merry Christmas.
