- Motions not included, if not seconded WHY?

49.2026 BENOIT/MACMILLAN

MOTION: To Preserve motions as delivered. CARRIED

50.2026 BENOIT/MACMILLAN

MOTION: Whereas:

- 1. The Rural Municipality of Rosthern No. 403 has maintained official records of Council meetings, motions, resolutions, and proceedings for approximately 113 years;**
- 2. The preservation of Council records is fundamental to the principles of transparency, accountability, and responsible municipal governance;**
- 3. The official minutes of Council provide an historical record of matters considered by Council, regardless of whether a motion is ultimately adopted, defeated, withdrawn, or referred;**
- 4. Residents of the R.M. have a legitimate interest in understanding the issues that come before Council and the positions taken by their elected representatives;**
- 5. The motion entitled "Ban Andrew Robin", brought on behalf of Division 5, raises matters concerning the alleged safety, mental well-being, and working environment of members of Council and municipal staff, and is therefore a matter of public significance that should form part of the historical record considered by Council; and**
- 6. Recording the existence of a motion and its disposition does not constitute Hamlet's endorsement of the allegations or conclusions contained within the motion but rather preserves an accurate account of Council's proceedings.**

Therefore, Be It Resolved That:

- 1. The motion entitled "Ban Andrew Robin", as presented to Council, be received as part of the official agenda and public record of the Rural Municipality of Rosthern No. 403.**
- 2. The complete text of the motion be retained in the Hamlet agenda package and meeting records as part of the R.M.'s permanent historical record, regardless of whether the motion is adopted, defeated, amended, or withdrawn.**
- 3. The minutes of Hamlet accurately record that the motion was introduced, identify the mover and seconder, summarize the debate in accordance with Hamlets's normal practice, and record the outcome of the vote.**
- 4. Hamlet reaffirms its commitment to maintaining complete, accurate, and transparent records of its proceedings in keeping with the Rural Municipality's longstanding practice of preserving its legislative history for the benefit of current and future residents.**

Rationale

The purpose of this motion is not to determine the merits of the underlying motion. Rather, it is to affirm the importance of preserving a complete and transparent public record of Council's proceedings. For more than a century, the R.M.'s records have documented the issues brought before Council, allowing residents to understand how decisions were considered and made. Maintaining that historical record is essential to public confidence in municipal government and ensures that future councils and residents have an accurate account of matters considered by their elected representatives.

Whereas, this motion is brought on behalf of Division 5 representative for the purpose of protecting his safety, well-being, and mental health, and to ensure that elected officials, employees, and residents are able to participate in municipal affairs free from intimidation, harassment, threats, or conduct that may reasonably cause fear, distress, or psychological harm; and

Whereas, Council recognizes that maintaining a respectful and safe environment for elected officials, staff, and members of the public is necessary for the effective governance of the Rural Municipality of Rosthern No. 403 and for the continued well-being of those serving the municipality;

Whereas: In order to remain consistent and fair and to apply the same standard and restrictions to all residents of the R.M. of Rosthern No. 403 and to apply all laws and bylaws equally:

- 1. The Council for the Rural Municipality of Rosthern No. 403 (the "R.M.") has the authority: a. To provide peace, order and good government; b. To ensure the**

safety, health and welfare of people and the protection of property; and c. To regulate people, activities and things in, on or near a place that is open to the public;

2. Public safety, and the safety of the R.M.'s employees and elected officials, is at all times a paramount consideration for the R.M.;

3. There have been multiple email altercations between Andrew Robin and councillors that included threatening

language and harassing behaviour, which has caused them to fear for their personal safety and mental health, up to and including confirmation from former Division 6 representative Charles Krikau that Mr. Robin was the reason for his subsequent resignation on February 19, 2026;

4. Mr. Robin has on multiple occasions communicated with R.M. elected officials in a manner which has caused them to fear for their personal safety and to suffer mental anguish;

5. Prior to a council meeting on March 19, 2026, Mr. Robin initiated a threatening and harassing confrontation with R.M. council elected representatives within the council chamber room, causing the R.M. to fear for the personal safety and mental health of elected R.M. council members;

6. The R.M. has determined that in order to ensure the safety of its elected officials, and to remain consistent with previous motions of council, it is necessary to prevent Mr. Robin from attending upon R.M. property;

7. That the R.M. permanently expel and bar Andrew Robin from attending in or upon any property owned or occupied by the R.M., including but not limited to the R.M. office and surrounding land located at 1001 6th St., Rosthern, SK, the R.M. shop and cold storage located on Railway Ave E. and 1st Ave in the Organized Hamlet of Neuanlage, SK, any and all parks, skating rinks, gravel pits, mailboxes, and any and all other public areas therein;

8. Andrew Robin shall direct all communications intended for the R.M. to its solicitors. The solicitors' office will

communicate with him exclusively in writing so that all parties have a clear record of the communications. Should Andrew Robin appoint legal counsel on his own behalf, communications will be exclusively with legal counsel;

9. Andrew Robin shall not contact, or attempt to contact, any of the R.M.'s staff, any R.M. councillor, or the Reeve in any manner, directly or indirectly;

10. The R.M. will accept on its behalf any formal requests or inquiries, through its solicitors, that Andrew Robin may wish to submit (for instance, requests for

records pursuant to The Municipalities Act and The Local Authority Freedom of Information and Protection of Privacy Act);

11. It is the R.M.'s assumption that Andrew Robin will wish to receive an invitation to any and all upcoming meetings of Council and its committees. On the advice of Municipal Advisory Services, the R.M. does not publish the electronic invitation on its website. Therefore, for so long as meetings are conducted electronically, the R.M. shall, through its solicitors, provide Andrew Robin with the electronic invitation to such meetings without specific request. Should Andrew Robin wish to stop receiving these invitations, Andrew Robin may advise the solicitor's office at any time. Notice of each meeting (Council and Committee) is posted on the R.M.'s website and will not be provided on an individual basis. Nothing herein shall prevent electronic attendance at meetings of Council and its committees, provided, however, that all applicable policies, legislation, and bylaws regarding conduct during those meetings are observed.

DEFEATED

3 Against/1 for

PARKS & RECREATION

- To get pricing on temporary fencing for Maple Park for one week at clean up weekend.
- New walking paths to be discussed at a later date.
- Trees in Heritage Park need to be tended to.
