2022 Recap

2022 was an exciting year for HLCNI! Here's a few things we did:

1. Updated our logo
2. Created our first digital newsletter
3. Attend many community events
4. Partnered up with Bienestar, Women's Entrepreneurial Opportunity Center (WEOC), and Northeast Indiana Innovation Center (NIIC) to host our own *Empower Your Wellness* event where we got to speak about the importance of mental health
5. Awarded ten HLCNI scholarships and one Paula Avila Scholarship

HLCNI would like to thank our donors for their continued support because without them we wouldn't be able to do the things we do.

We can't wait to see what awaits us in 2023!

OUR MISSION

"To empower the Latino community through education and leadership."

Celebrating Life

Late last year, we lost two former HLCNI Presidents, Dr. Max Montesino and Mr. Mike Seleme. We were sad to say goodbye, and so we take this time to celebrate and honor them for all they have done for our community. Both were instrumental in the founding of HLCNI and served their communities with selfless passion. As role models to our community Dr. Montesino and Mr. Seleme were role models, teachers, pillars of the community, and most of all, dedicated family men. They will be truly missed!

In the Community

Throughout 2022, HLCNI attended several community events. As an organization, we held our first community mental health event, Empower Your Wellness. As our connections continue to grow, we are excited to partner with area organizations in our community.
