

Grand Vin de Bourgogne

NUITS-SAINT-GEORGES 1^{ER} CRU « Les Saints-Georges »

The vineyard in the area known as "Les Saints-Georges," in the south of the AOC region, is said to be 1000 years old.

Varietal : 100% Pinot Noir.

The Wine

Balanced, powerful, and long-lasting, this tannic and often spicy wine is velvety smooth, evoking wild berries with subtle woody and animal notes. Complex and well-structured, it can age for nearly ten years depending on the vintage.

Pairings

A wine fit for a king, perfect for exceptional dishes: Venison stew, lamb fillet with porcini mushrooms, or beef tenderloin in a pastry crust. And of course, aged cheeses!

Aging Potential

A great wine suitable for aging: 10-15 years and even longer. Decant when young.
