

## Grand Vin de Bourgogne

# POMMARD

**Varietal : 100% Pinot Noir**

## The Wine

With its round texture, fruity taste, and silky tannins, our Pommard, produced exclusively from the poor soils of the upper slopes, reveals its character from a young age and remains suitable for aging for up to ten years.

## Parings

Game meats, red meats, lamb and stews, as well as aged cheeses.

## Aging Potential

The value of our Pommard does not depend on its age.
