

DOMAINE DE LA RONZE

Cyrille Bernardo & Karine

- Independent vinegrower-winemakers -

BEAUJOLAIS-VILLAGES BLANC "LA FRICHE"

Characteristics: In 2014, Cyrille took over two hectares of vineyard that had been left fallow on the commune of Morgon. After a lot of hard work rehabilitating the land, magnificent Chardonnay vines brought in from Burgundy took root. Cyrille has chosen to only care for the land mechanically to give rise to a unique and fruity wine.
