15 to 20 years

TASTING NOTES

Another universe is proposed by this Margaux which displays a still very young color with violet reflections. Its nose is characterized by blackberry, blackcurrant, toasted notes of hazelnut and cinnamon. The mouth is suave, elegant, all in lace. The freshness and precision of the tannin accompany us throughout the tasting until the finish where we find fruit and a beautiful sensation of sapidity. It is a bottle with a bright future ahead of it and can be consumed for special special occasions.
