Very typical Rottweiler. Two and half years old. A very pleasing mover dog in this class. Head nicely balanced. Ear set correct. A little bit of wrinkling on the head but expression is good. Length of muzzle to head correct. Depth of muzzle good. Head colouring and markings very good. I like the layback of shoulder and neck, leading into good elbows. Good tight feet. Could be tighter in pastons but in fact, not too bad at all. Good topline. Good set of tail that's carried well in movement. Underline good. I'd like a little muscling on his hindquarters, however on the move he shows power and very positive movement.
