**Dam: Parvenu Yana (imp UK)**

Fifteen month old female. Well proportioned. Alert. Feminine head. Well set and carried ears. Good stop. Medium brown eyes. Correct muzzle. Could have a little more fill under the eyes. Scissor bite with full dentition. Mostly dark mouth pigmentation. Short strong neck. Very good forequarter angulation. Elbows laid tight to the body. Very good width and depth of chest. Straight forearms. Toes are a little long. Good top and underline. Correct rear angulation. Well muscled. Correct tail. Very rich and clean mahogany markings, little light under the tail. Clean going away, toes a little on the way in. Moves well. Could have more drive. Top line could be a little more firmer on the move.
