## ROTTGEMS YANICS TULLY

**Sire:** Nico Crni Lotos (Imp Portugal)

**Dam:** Parvenu Yana (Imp UK)

Ten months old medium to large bitch. Compact, very good first impression. Attractive female head needs to be a little cleaner in the skull. Slight taper to the muzzle. Medium ears well set and carried. Dark eyes, scissor bite, complete dentition, double upper left P1. pigmentation very promising at the moment. A nice crest to the neck, high wither, short straight topline. Medium lay of shoulder, upper arm is very short and steep so we are not seeing any forechest. Enough bone for her size, would like a little more. Pasterns are slightly weak, toes a little long and splayed. Very good substance, very good underline, very good hindquarter angulation. Correct tail. Correct coat, excellent markings. Free movement, slightly close behind. Medium reach and drive, holding the topline on the move.
