The regulations concerning the breeding of Rottweilers must be strictly observed. The pedigree is only valid if it is signed by the breeder and authenticated by the authorised representative of the pedigree registration office or designated as a copy (duplicate). It is considered a legal document. Anyone who forges, imitates, alters, reprints extracts, or otherwise misuses pedigrees will be prosecuted. The pedigree is the property of the ADRK and must be returned to the pedigree registration office at the request of the ADRK board or in the event of the death of the dog. If the dog is sold, the pedigree must be handed to the new owner and the change of ownership must be registered.
