## Wayne and Sandy McNair

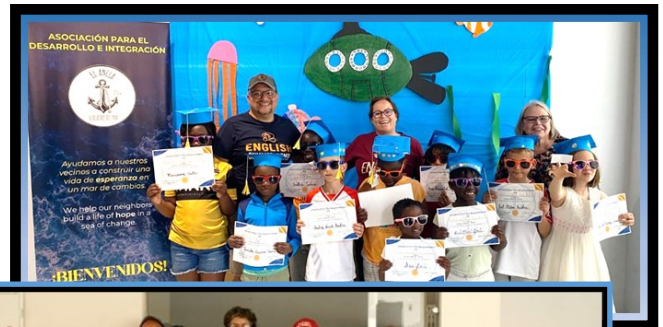

September 2025

Hola amigos y familia,

I just realized it was March when we sent out our last newsletter. We are so sorry for not keeping you informed about what has been happening here in Spain. After all it is because of your prayers and donations that allow us to be here. I will try to summarize the past few months.

At the end of May we finished our English classes at El Ancla (The Anchor). It is an organization run by other missionaries who we work with, trying to build relationships so we can later share the Gospel with them outside of the center.

At the end of June to the end of July, for 4 weeks, we helped out with an English Boot Camp. Normally there were 25 kids in the morning and another 25 older kids in the evenings. There were 3 Interns who came in from the states to help run it. The team included some of the older kids who attended last year's boot camp, a Moroccan lady who took the English classes last spring and some other missionaries. They all did an awesome job. Wayne wrote a couple of songs for the weekly classes. Each week had a different theme. We played games, had English lessons, crafts and snacks each day.

Roquetas is a very diverse city with many different nationalities and so are the kids. We had kids from Algeria, Morocco, Romania and several of the West African nations. At first they would stay with their same groups. One of my favorite parts was seeing them begin to bond and accept each other and become a team. Learning and growing, respect for yourself and respect for others, teamwork and friendship are the values we are trying to teach along with English of course.

We want to show them the love of Jesus and to help them have a hope (the anchor) of a better life. We start classes again September 20.

**Thank you for making this possible because of your prayers and support!**

# Sharing the Word through Songs and Testimonies

Recently we started going into the community to do evangelism 2 times a week instead of just one, Thursdays and Saturdays. We go to Dos Cientos (the Slum area) one week, then to Parque Los Bajos near our house the next. Now that summer is here we are also going out to the strip near the beach.

This song to the right expresses our heart of what we believe God is doing as we share.

In July we took a trip to a suburb of Seville called Dos Hermanas (Two Sisters) to help pass out information about a new church plant and I gave my testimony. Actually I give my testimony at every outreach. We did worship; the music brings people in so we can share with them.

In August we took a trip to a town an hour and a half away called Oulula del Rio to help another church. We did a concert in the church then went to the park to sing and share Jesus.

I can't say I know of any salvations that have happened yet but we are planting seeds. We find people to talk to about their faith. We tell them that Jesus loves them and has a plan for them and pray for them. We talk about how He changes lives, including how He changed ours. Fighting religious strongholds.

I Speak Jesus by Charity Gale

I just wanna speak the name of Jesus  
Over every heart and every mind  
'Cause I know there is peace  
within Your presence  
I speak Jesus

I just wanna speak the name of Jesus  
'Til every dark addiction starts to break  
Declaring there is hope  
and there is freedom  
I speak Jesus

Chorus:

'Cause Your name is power  
Your name is healing  
Your name is life  
Break every stronghold  
Shine through the shadows  
Burn like a fire

I just wanna speak the name of Jesus  
Over fear and all anxiety  
To every soul held captive by depression  
I speak Jesus

Shout Jesus from the mountains  
Jesus in the streets  
Jesus in the darkness, over every enemy  
Jesus for my family  
I speak the holy name  
Jesus, oh (oh)

Your name is power (Your name is power)  
Your name is healing (Your name is healing)  
Your name is life (You are my life)  
Break every stronghold  
(break every stronghold)  
Shine through the shadows  
Burn like a fire

I just wanna speak the name of Jesus  
Over every heart and every mind  
'Cause I know there is peace  
within Your presence  
I speak Jesus

## Discipleship Evangelism

We have been staying busy with our Tuesday Bible study. We now have 4 people attending and it is going great. I can see the growth in them. It seems like the lessons are just what they need to hear at the right time. We recently did lessons on God's kind of love, marriage and the Holy Spirit. It is a blessing.

They are a varied group. One man from Gambia, one from Ghana, a lady from Argentina and her 12 year old son. It has to be hard for these men as their families, (wives and children) are back in Africa. One man has not seen his wife in 6 years but they video chat every day. They are both praying for their families to be able to join them but they have to meet the financial requirements just like we do.

We are still waiting for approval for our 2 year visa. We applied back in March but got denied. The guy helping us said we didn't need to include some of the paperwork we submitted for the one year visa. He was wrong. We had to reapply in July. The immigration office has 90 days to give us a reply. August is vacation time for most of the government offices so we are not expecting a response yet. Planning for the future is a little hard but we proceed as if it is already ours. Please agree with us in prayer for a favorable answer.

## Thank God for Visitors from Texas

Once the summer came and the Ancla was closed we were blessed to have a visit from our daughter and her family. We really miss everyone. I thank God that we live in the age of video chatting but to be able hold and hug your loved ones is best. They were here for a little less than two weeks but we packed in the sites. AJ is a great trip planner, so we went to Nerja, Malaga, Ronda, the palace in Madrid, some beaches and many places in between. Already being in Spain gives us the opportunity to enjoy these places. Of course when we do this kind of travel we use our own money because we want to be good stewards of what you have given.

## Thanking God for Answered Prayers

Wayne was able to pass his Spanish Drivers license. We are still here loving God and loving people, sharing His love and light. **God is good and He is faithful.** Thank you for being faithful to pray and help us reach the people in Spain.
