Wayne and Sandy McNair

July 2026

Hello dear family and friends,

We wanted to share some of the exciting things that God has been doing in our lives. We recently returned from a 4-day trip to Malta. In Acts 27-28 it talks about how the Apostle Paul was shipwrecked there. After being bitten by a venomous snake and shaking it off, they thought he was a god. The Maltese legend has it that even the dirt from the cave he was in brought healing to people. This picture is where they believe he was. The statue is a tribute to him. There is so much history there, it is amazing.

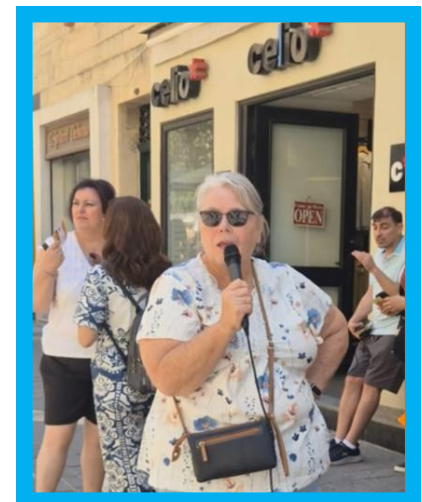

Friday and Saturday we did outreach on the streets. We shared songs, testimonies, the Word and prayed for people. We went to Malta to share the Gospel and help the existing church. It is a small young congregation with awesome members. Wayne did special music for three services. I shared my testimony both at the church and on the street. Almost everyone in Malta speaks English so that was a welcome difference. Now our team members from Spain understand the struggle we have everyday, not totally understanding the language.

One night after the church service we went out to eat cake in the old city of M'dina. While we were there we met a young man who asked if we were from Texas. I have no idea how he knew. It ended up that he was living there in Malta but was from Marble Falls. What a small world! We were able to share with him about Jesus and spoke words of wisdom into his life. He was grateful that we connected. God is good.

Your prayers and giving are what makes this possible.

We are always looking for ways to reach people. Wayne has been preaching every other Sunday evening and at the Tuesday evening English church services. He uses different Charis Bible Study materials as inspiration for his preaching. Right now he is using the study "How to Find God's Will". He will then go on to the "How to Follow God's Will."

Singing, Sharing, Preaching, Testimonies, Prayers, Bringing Hope

We enjoyed time with Jim Meeker and Eva Holley. They came to help us for about three months. We passed out hundreds of English Church Service invitations, and over 250 tracts that look like a credit card. They have a link to a website where people can pick which language they want, Arabic, Spanish, French, English, and a few other languages. They can connect to Biblegateway.com and read the Bible. We were happy to see how receptive people were to take them. We believe all these seeds planted will produce a harvest.

Our son, Jaazaniah had a successful trip to the Philippines sharing the Gospel. He met up with others who minister to ladies that are being sex trafficked. He worked with Wipe Every Tear. They offered breakfast for the ladies and gave the Gospel message. All the ladies present raised their hands saying they made a decision for Christ. One woman chose to walk away from that lifestyle and begin a new life in Christ. She was provided with housing and an opportunity to attend college. We are so blessed that he has chosen to follow a path of sharing Christ with others.

Thank you for all your prayers and giving. Pray for God's direction for the future. We are so blessed to have each of you in our lives. Praying for God's blessings for each of you.

Blessings, Wayne and Sandy McNair
