To The Zion Hill Family,

The 2020 election cycle was a success for those who focused on “Get Out The Vote” (GOTV) efforts. All around the country there were milestone achievements and record turnout for those who were part of the democratic system of voting. Of course, with the results accomplished, many states have focused their attention on creative methods of voter suppression.

America is in a new era of Jim Crow in 2021 denying people of color the opportunity to exercise their right to vote. Georgia, Arizona, Pennsylvania, Michigan, and Wisconsin just to name a few, and all with republican legislators are devising schemes to make it harder to vote. We cannot stand pat and allow these tactics to go on without doing and saying something. We must continue to fight the good fight of faith.

I am asking each member to reach out to your family members and access the following website and sign on to voice your opinion of these modern-day tactics of voter suppression. The only thing that has changed are the faces and the names, but the policies remain the same, “stop us from voting.”

Once again, look up the following website and signup to be part of our efforts to support SB1, and the John Lewis voting referendum.

I thank you in advance for your cooperation and please tell someone else to support the cause of saving our voting rights. Voting is not a privilege, but a right, and our vote is our voice....

Thank you,

Pastor Gates

FROM THE HEART OF THE PASTOR.....

“Children, obey your parents in the Lord, for this is right. “Honor your father and mother” which is the first commandment with a promise. “So that it may go well with you and that you may enjoy long life on the earth.” Fathers do not exasperate your children; instead, bring them up in the training and instruction of the Lord.” Ephesians 6:1–4

In our current society, this portion of scripture seems to somehow become elusive. It is difficult to determine the parent from the child. It appears that parents are more concerned about being the children’s friend versus the parent. What happened between yesterday and today? The times when children revered their parents. When a child was in horror if a call went home about their behavior. If a neighbor witnessed their conduct that was not acceptable at home. We would not even think of embarrassing our parents because we knew there were consequences, and of course, as the recipient on the other side, it was not a pretty picture. As I stated earlier, what happened? The Bible says, “Jesus, the same yesterday, today, and forever more” So Jesus has not changed, but society and parenting has changed.

According to the text, the great duty of children is, to obey their parents. That obedience includes inward reverence, as well as outward acts, and in every age, prosperity has attended those distinguished for obedience to parents. The duty of parents. Be not impatient; use no unreasonable severities. Deal prudently and wisely with children; convince their judgements and work upon their reason. Bring them up well; under proper and compassionate correction; and in the knowledge of the duty God requires. Often is this duty neglected, even among professors of the gospel. Many set their children against religion; but this does not excuse the children's disobedience,

though it may be awfully occasion it. God alone can change the heart, yet he gives his blessing to the good lessons and examples of parents and answers their prayers. But those, whose chief anxiety is that their children should be rich and accomplished, whatever becomes of their souls, must not look for the blessing of God.

On this Father’s Day, let us go back to old landmark and begin to reinstitute the scriptural teachings that worked then, and most assuredly will work now. Jesus wants and desires a happy family life for His children, and Fathers, it is our responsibility to follow the Christian roadmap laid down for us.

HAPPY FATHER’S DAY!!!
