NAVADISHA Program

Haroa Centre

North 24 Parganas, West Bengal

ANNIVERSARY ACTIVITY REPORT

May 2023

In collaboration with
Khalisadi Anubhav Welfare Association (KAWA)

The NAVADISHA program, SACHETA'S flagship supplementary education initiative, was launched in 2005 to empower marginalized children in the Sunderbans region. Building upon the valuable insights gained from the Sunderbans project, the program template was successfully replicated in Haroa in collaboration with KAWA on May 30, 2022. The program is presently being run from two premises of KAWA. Classes are held 5 days a week in morning and afternoon shifts.

During its inaugural year, the program in Haroa has generated an overwhelmingly positive response from local villagers and students attending nearby schools in Shalipur and Haroa. On request of the parents we also launched a dedicated digital literacy program (DISHA) in the month of March this year.

We are pleased to present our inaugural Anniversary Report, which highlights the achievements made possible through the generous support of our patrons and well-wishers. Their unwavering dedication has been instrumental in shaping the success of the NAVADISHA program, and we extend our sincere gratitude to each and every one of them.

INSTRUCTIONAL TOPICS

English | Bengali | Maths | Physical Science
Life Science | Geography | History

Spoken English | Digital Literacy

TARGET BENEFICIARIES

Students of
8th | 9th | 10th Standard

Students | Relatives of students
